Paul Hales

Paul R. Hales, Attorney at Law, LLC

Paul R. Hales received his Juris Doctor degree from Columbia University Law School and is licensed to practice before the Supreme Court of the United States. He focuses on HIPAA Privacy, Security, Breach Noti?cation and Enforcement law. Mr. Hales conducts a national HIPAA consulting and education practice based in St. Louis. He is the author of all content in The HIPAA E-Tool®, an Internet-based, complete HIPAA Software as a Service product for health care providers and business associates.

Overview :

The secret is - HIPAA Rules are easy and routine to follow - when they are explained step-by-step in plain language. In this seminar Paul Hales will capture your attention with visual presentations, discussion and learning exercises and show how to find the right rule with the step-by-step procedures you need when you need them.
