Overview :

Inspire and influence your team members to achieve your goals as a team!

Managers who will be promoted are the ones who not only manage efficiently but also lead their teams effectively. Learn how to work in a horizontal mode of operation.. apply a consistent theory in leading your team.. and teach critical leadership skills to members of your team, so each and every one of them can lead the team in your absence.

Agenda:

Day One

Lecture 1: Defining and Discovering Leadership: What Leadership Really Is, Putting Leadership to Work

Lecture 2: Visionary Leadership: Developing A Team's Vision, Mission and Ground Rules

Lecture 3: Understanding Your Leadership Style

Lecture 4: Merging Your Leadership Style With Your Team Member's Ability to Follow To Achieve Outstanding Team Performance

Lecture 5: Q & A

Day Two

Lecture 1: Merging Individual and Team Motivation

Lecture 2: Effective Coaching: Performance Conversations That Get Results

Lecture 3: Taking Your Team-Building To a New Level From Forming, Norming and Storming to Performing

Lecture 4: Your Manager's Action Plan - Making Leadership and Team-Building Work to Achieve Even Greater Results!

Lecture 5: Q & A

Why should you attend:

Would you like to learn more about the differences between leading and managing?

What about understanding how to more clearly visualize your goals and communicate them to your team?

How about being able to better target your team's efforts?

Would you like your team to improve performance?

If you answered "yes" to any of these questions, then come laugh, listen and learn as Chris DeVany leads us all through those important topics, key questions and answers we all need to be able to address effectively to improve our team member's and team's performance, no matter how widely distributed everyone is!
