## Susanne Manz

Quality and Compliance Expert / Auditor for Medical Devices, Manz Consulting, Inc.

Susanne Manz, MBA, MBB, RAC, CQA is an

accomplished leader in the medical device industry with emphasis on quality, compliance, and Six Sigma. She has an extensive background in quality and compliance for medical devices from new product development, to operations, to post-market activities. While at industry leaders like GE, J&J, and Medtronic, Susanne worked in various world-wide roles including Executive Business Consultant, Worldwide Director of Quality Engineering, Worldwide Director of Design Quality, and Director of Corporate Compliance. She has traveled extensively throughout the world conducting audits and helping companies to understand and improve their Quality Management Systems. Susanne is a Presidential Scholar and has a BS in Biomedical Engineering and an MBA from the University of NM.

### Overview :

This 2-day seminar will cover the essentials of compliance for medical device companies. An efficient and effective quality system can be a competitive advantage for companies by leading to improved quality and compliance as well as optimizing the cost of quality. This "Compliance Boot Camp" will get you started in setting up just such a Quality System. We'll discuss the "case for quality" and how you can use compliance, not as an end itself, but as a means to improved quality and reduced cost of non-compliance.
