Overview :

Are You Prepared for the New Presidential Administration? Is your company at risk for non-compliance? Is your company a lawsuit waiting to happen?

2017 comes in with a lot of uncertainties. With a new administration in the white house, employers can expect drastic change, which may affect and impact your organization. Additionally, employment lawsuits are on the rise. Last year, Equal Employment Opportunity Commission (EEOC) enforcement collected \$372.1 million in monetary damages, the highest recovery in agency history. Also, for the last three years, the EEOC reported a record high number of claims filed by employees.
