# Corporate Membership Program

## GLOBAL COMPLIANCEPANEL OFFERS

GlobalCompliancePanel offers a big bonanza as part of its Corporate Membership Program. GlobalCompliancePanel's Corporate Membership Program immensely amplifies the value of its trainings. As part of GlobalCompliancePanel Corporate Membership Program, we offer very attractive options for our clients who have been enrolling their employees for our trainings paying the regular price.

Our Corporate Membership Program plans help you derive amazing value.

GlobalCompliancePanel Corporate Membership Program is of enormous benefit to you, because we offer tailor-made packages by which you can enroll a high number of participants for our trainings at ridiculously lowered prices.

The GlobalCompliancePanel Corporate Membership Program helps you make mammoth savings. With this program, GlobalCompliancePanel offers unprecedented value add to your trainings. In addition to becoming part of a special group, you derive enhanced value and benefit from the rich, collective experience of our vast expanse of speakers and the trainings they have conducted over the years, all at a vastly reduced price.

## The exclusive GCPNetwork

To start with, as a GlobalCompliancePanel Corporate Member, you become part of an exclusive learning club at which the choicest assortment of experts and peers come together. With GlobalCompliancePanel's Corporate Membership Program, you become part of the exclusive GCPNetwork. GCPNetwork is a privileged club at which the most knowledgeable experts on the full range of topic on which GlobalCompliancePanel's parent organization, NetZealous LLC, offers its expert trainings -regulatory compliance, human resources, healthcare and IT -come together to share their thoughts and experience.

## Delightful benefits on top of GCPNetwork

GlobalCompliancePanel offers high value offerings at very practical prices in order to enable your organization derive the best out of its vast collection for trainings. Our Corporate Membership Program is our way of incentivizing those of the organizations that have been taking up training programs for their employees individually paying the full price of these trainings.

If the GCPNetwork is a tremendous value addition to your profession; the wide variety of membership choices that come in addition to this learning hub are a killer. These bumper benefits come with several options and enrich our trainings.

This is how we do it: We collate all the trainings we have offered on respective topics and consolidate them at one source, so that your trainings are most relevant, most current and most valuable. And then, we offer irresistible benefits on this collection of trainings.

As a result, you get a bunch of related trainings and courses at a price that is nominal and compares very favorably with purchases made for single participants and standalone courses. By paying a small annual membership fee, you not only get a pack of trainings that can be experienced in the comfort of your location; you also get massive discounts at all your future learning courses and trainings.

# Jumbo packages with which to **save** exponentially
